THREE LITTLE KITTENS FOUND EATING PIE AT MANGIA CAKES BAKERY AND THE YOUNGSTOWN VILLAGE DINER WHILE THEIR MOTHER SHOPPED EVERYTHING YOUNGSTOWN...

*Three little kittens, they lost their mittens, And they began to cry:
"O mother dear, We fear, we fear, That we have lost our mittens."*

What? Lost your mittens! You naughty kittens! Then you shall have no pie. "Mee-ow, mee-ow, mee-ow." No, you shall have no pie.

*Three little kittens, they found their mittens, And they began to cry:
"O mother dear, See here, see here! See! we have found our mittens."*

Put on your mittens You silly kittens, And you may have some pie.

"Purr-r, purr-r, purr-r," O let us have the pie.

The three little kittens put on their mittens, And soon ate up the pie;

"O mother dear, We greatly fear, Our mittens we have soiled."

What? Soiled your mittens! You naughty kittens! Then they began to sigh, "Mee-ow, mee-ow, mee-ow."

The three little kittens, they washed their mittens, And hung them out to dry; "O mother dear, Do you not hear, That we have washed our mittens?"

What? Washed your mittens! Oh, you're good kittens. And you shall have more pie. "Mee-ow, mee-ow, mee-ow."

This morning I was struck by a moment or two of whimsy which was brought on by an unexpected package delivery at the shop. I had forgotten that we had purchased knit caps, mittens, gloves, etc. and "Three Little Kittens" (an American nursery rhyme and song having its origins in English folklore) a favorite storybook from my childhood popped into my head as I gleefully emptied the carton of its contents. So, **Yes, EVERYTHING YOUNGSTOWN has Knit Hats, Gloves, and, MITTENS too!**

We hope you enjoy this newsletter which is filled with news about Boy Scout Troop 829, Old Fort Niagara, Youngstown Garden Club and other civic and social organizations in the Youngstown Community. We've also included a directory of our Main Street Businesses. **Remember us on Small Business Saturday on November 27th!**

TROOP 829 IS SCOUTING OUT RECYCLABLE CANS AND BOTTLES

Boy Scout Troop 829 in Youngstown, will pick up and return recyclable cans and bottles to Porter Empty Return Center in exchange for the donation! In these Covid times, fundraisers are pretty difficult! This is a **WIN WIN**. The Scouts EARN some money for the Troop and you get your basement and garage back! Call or text your address to 716-545-2143 and the Troop will schedule a time to pick up your NY Recyclables. Contactless, of course! You can leave them in the driveway if you prefer and not have anyone in your house. This is an ongoing fundraiser, as a service provided by the Scouts, to raise money for the things they need, like badges, uniforms, dues, camping, and other fun activities. If you are just dropping off your recyclables to the Return Center, you can mention the funds go to Troop 829 and they will credit our account.

MEET THE YOUNGSTOWN GARDEN CLUB

From time to time you will see the volunteer members of the Youngstown Garden Club weeding flower beds at the Red Brick School, around the rock at Faulkner Park, at the Gazebo in Constitution Park, and filling and tending the containers at the village entrances and at historic markers.

The objective of the club is to stimulate the knowledge and love of gardening, to aid in the protection of native plants, trees and birds and to encourage civic beautification. You will find members and friends bundled in winter gear decorating the French Castle on the 3rd and 4th of December in preparation of “The Castle by Candlelight” fundraiser for Old Fort Niagara. They meet monthly November through May and hold their annual Plant Sale in June. Visit their Facebook page at Youngstown Garden Club to learn more and you may call 716-998-6362 for membership information.

OLD FORT NIAGARA

FALL ACTIVITIES 2021

After a busy summer, Old Fort Niagara is preparing for its fall season. Hours of operation for fall are Wednesday through Sunday from 10:00 a.m. to 4:00 p.m.

FALL FRONTIER DAYS

Fall Frontier Days are coming up on September 30, October 1, 7, 8, 14, 15, 21 and 22. These school programs are designed to serve about 4,000 students. The Niagara Falls National Heritage Area and the New York State Connect Kids program sponsor them. Activities include many outdoor living history stations that help students better understand what life on the Niagara Frontier was like during the 18th century. Topics include Native American history and culture, soldier life, trade and commerce, architecture and engineering.

FRENCH HERITAGE DAYS

French Heritage Days are set for November 5 and 6, 2021. Friday's program is designed for foreign language and social studies students and Saturday's program is for the general public. The program includes French soldier life, Native American diplomacy, French cuisine, the fur trade, religion, outdoor survival skills and much more. Teachers interested in either Fall Frontier Days or French Heritage Days may make reservations by calling Carrie LaFlair Barber at (716) 745-7611 ext. 223 Monday through Friday.

GIVE THE GIFT OF HISTORY

Old Fort Niagara memberships make a great gift. Members enjoy free admission to the fort year round (fundraisers excepted), a newsletter, shop discounts and the knowledge that they are helping to preserve Old Fort Niagara for present and future generations. Family memberships are \$75.00 per year and individual memberships are \$40.00.

THANKSGIVING WEEKEND HOURS

Thanksgiving weekend brings family get-togethers for many in the Youngstown area. Old Fort Niagara will be closed on Thanksgiving Day, but we will be open with special living history activities on Friday, Saturday and Sunday.

THE CASTLE BY CANDLELIGHT

On Saturday nights, December 11 and 18, Old Fort Niagara will host its annual Castle by Candlelight fundraising event. Old Fort Niagara assumes a particularly festive air during the holiday season. The Castle by Candlelight includes a tour of the Great Lakes' oldest building illuminated entirely by candles. Visitors to the event also enjoy handmade natural decorations by the award-winning Youngstown Garden Club. Throughout the Fort, visitors will encounter members of the Fort's 18th century garrison demonstrating everything from quill pens to fur trading to traditional games of skill. Twice each evening the garrison turns out to perform a grand feu de joie (firing of joy), a rolling fire of muskets and cannons. Cooks prepare a holiday feast, musicians play popular songs of the era and a Recollect priest reads the Christmas story in Latin in the Fort's 290-year-old chapel. Admission to the event (a fund-raiser to benefit educational programming) is \$25.00 per person. Tickets will be available at the door.

ON DISPLAY IN THE VISITOR CENTER

During World War II, one of the German prisoners of war held at Fort Niagara was artist, Ernst Wille. He is best known for the mural he painted on the east wall of the Fort Niagara Officers Club. Wille produced many other works however, and a special exhibit at the Old Fort Niagara Visitor Center showcases these paintings. The exhibit includes a painting of a Normandy beach he completed on June 4, 1944, just two days before the Allied invasion. The peaceful scene belies what was about to occur.

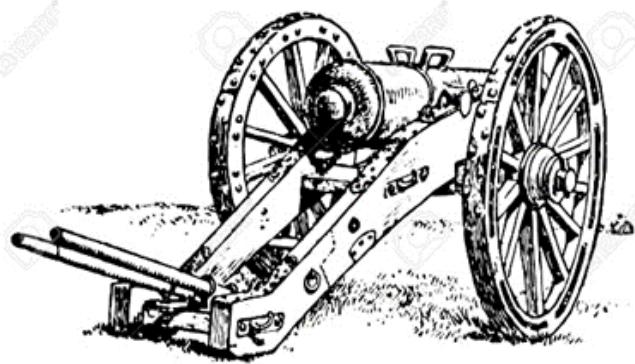

MUSEUM SHOP OFFERINGS

Old Fort Niagara's Museum Shop is located in the Visitor Center. The shop offers array of books, clothing, collectibles and custom merchandise that makes a great gift for anyone with Youngstown ties. The shop is open the same hours at the fort. An admission ticket is not required to visit the shop.

WHO LET THE DOGS OUT!

Eagle Scout Candidate Liam Robinson initiated a proposal for a Dog Park in Youngstown, which this writer thinks is great! When delivering The Youngstown News “door to door” I was amazed at the number of households having one or more canine family members. Liam worked with the Youngstown Recreation Board and the Village Board to develop **A Dog Park**. He initiated fundraising to cover expenses for such things as trash receptacles, dog waste disposal systems and renovating and installing wooden benches. Mark Fox and Fox Fencing provided the fencing to enclose the Dog Park.

Per Liam’s proposal, the Dog Park is located in Veterans Park in an underused area which previously housed baseball field number #5. And here’s the POOP...Don’t forget to pick it up...Dog Waste...that is.

And while we are on the topic of Dogs....

EVERYTHING YOUNGSTOWN

NOW CARRIES DEAN’S DELICIOUS DOG TREATS

We are always looking for new product and ways to brand “Youngstown” and during a recent trip up state, we discovered **Dean’s Delicious Dog Treats**. Dean started his own homemade dog treat business at the age of ten and I think he might be all of twelve now. As an aspiring dog trainer he wanted to take more agility lessons with his dog Max. So yes, we were hooked on the story of a boy and his dog but then we read the list of ingredients in his dog treats and not only did they sound healthy but we have been tempted to try them ourselves. To top it off, with the help of his mom, he was able to devise a way to make custom dog treats. So now we have custom **YOUNGSTOWN DOG TREATS** at Everything Youngstown. We have been following Dean and Max on Facebook and in August Max and Dean QED at Agility and won his class!
